TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hillsborough, County of Hillsborough, in said state, qualified to vote in town affairs:

(L. S.)

You are hereby notified to meet at Childs' Opera House in said town on Tuesday, the Fourteenth Day of March, at nine o'clock in the forenoon next, to act on the following subjects:

ARTICLE 1. To choose one selectman for three years, town treasurer, tax collector, highway agent, town clerk, chief of police and an agent to enforce the liquor laws for one year, trustee of the Fuller Public Library for two years, and trustee of trust funds for three years.

ART. 2. To hear the reports of the town officers to the auditors, the reports of the auditors, agents, committees, or other town officers heretofore chosen or appointed and to pass any vote relating thereto.

ART. 3. To raise such sums of money as may be necessary to meet the current expenses of the town and apply upon the principal and interest of the town debt.

ART. 4. To raise such sums of money as may be necessary for the building and repairing of highways, bridges and culverts.

ART. 5. To see if the town will vote to raise the sum of \$100.00 for Senator Grimes Post, G. A. R., to be used Memorial Day.

ART. 6. To see if the town will vote to raise the sum of \$500.00 to be applied on the salary of the District Nurse.

ART. 7. To see if the town will vote to accept State Aid for the permanent improvement of highways.

ART. 8. To see if the town will vote to raise any money for the support of the Fuller Public Library or pass any vote relating thereto.

ART. 9. To see what action the town will take with reference to assumption and payment of the judgment in favor of Elizabeth Robertson, against Eugene C. Rumrill and Fred B. Monroe arising out of work done upon the public highway, and of the expenses incurred by said Rumrill and Monroe in the defense of said action.

ART. 10. To see if the town will vote to raise any money for the purpose of preventing the spread of the White Pine Blister Rust.

ART. 11. To see if the town will vote to raise any money for the support of band concerts the coming season.

ART. 12. To see if the town will vote to purchase the truck now rented by the town for the use of the highway department.

ART. 13. To see if the town will vote to install and maintain three lights between Pearl Street and the Deering line on West Mill Street.

ART. 14. To see if the town will vote to instruct the selectmen to contract with the Hillsborough Electric Light & Power Co. to light the streets for a period of not to exceed five years and to pass any vote relating thereto.

ART. 15. To see if the town will vote to raise the sum of \$25.00 to defray the expense of winding the clock on Smith Memorial Church for the ensuing year or pass any vote relating thereto.

ART. 16. To see if the town will vote to install and maintain two electric lights at convenient places on the board walks back of Smith Memorial Church and Colby Block.

ART. 17. To see if the town will vote to accept a bequest of \$100 from Abram C. Flint, the income to be used for the care of lot No. 5 in Maple Avenue Cemetery.

ART. 18. To see if the town will vote to accept the bequest of \$250 from the estate of the late Samuel W. Holman, the

income to be used for the care and maintenance of his burial lot in Deering Cemetery and of the stones, monuments and markers thereon.

ART. 19. To see if the town will vote to accept the bequest of \$100 from the heirs of the late Emma A. Locke, the income to be used for the care of her burial lot in Deering, N. H. cemetery.

ART. 20. To see if the town will vote to discontinue the highway leading from the Center road to the Beard road near the Charles Hoyt place so-called.

ART. 21. To see if the town will vote to discontinue the highway leading from the Charles McColley place, so-called to the Windsor line.

ART. 22. To see if the town will vote to raise any money for the purpose of observing the 150th anniversary of the town, or pass any vote relating thereto.

ART. 23. To see if the town will vote to discontinue the highway leading from the Beard road across the Beard Brook, to the buildings on the A. B. Kimball place so-called, now owned by E. R. Whitney, or pass any vote relating thereto.

ART. 24. To see if the town will vote to lay out a highway from Main Street to land of Charles Brockway, said highway to pass between block owned by H. C. Colby and garage owned by B. H. Smith or pass any vote relating thereto.

ART. 25. To transact any other business that may legally come before said meeting.

Given under our hands this twenty-fifth day of February, in the year of our Lord nineteen hundred and twenty-two.

FRED B. MONROE,
EUGENE B. RUMRILL,
HERBERT H. EATON,
Selectmen of Hillsborough.

Hillsborough, N. H., Nov. 25, 1921.

The undersigned, Auditors of the Town of Hillsborough, hereby certify that we have examined the accounts of Francis A. Saunders, Highway Agent, deceased, and find all payments properly vouched for and a balance in the bank on his account as Highway Agent of \$648.11, \$576.77 of said sum being the amount due said town of Hillsborough for payments to be made and \$71.34 of said sum being personal funds of the said Saunders.

The foregoing statement is therefore rendered by us as an account of said Highway Agent for the period from February 1, 1921, up to and including July 9, 1921.

G. W. HASLET,

PRECINCT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Hillsborough Bridge Village Fire Precinct in the Town of Hillsborough, qualified to vote in

Precinct Affairs:

You are hereby notified to meet in Precinct Hall in said Precinct on Monday, the twentieth day of March, 1922, at seven of the clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose one or more water commissioners to serve five years.
3. To choose one fire commissioner to serve three years.
4. To choose a clerk, treasurer, auditor, and other necessary precinct officers for the ensuing year.
5. To hear the report of the fire commissioner, water commissioners, clerk, treasurer, auditors, and other officers and committees heretofore chosen, and to pass any vote relating thereto.
6. To see if the Precinct will vote to raise and appropriate the sum of six hundred dollars (\$600) necessary to run the sprinkling cart for a period of twenty weeks or more.
7. To raise such sums of money as may be necessary for paying the current expenses of the Precinct, the debt of the Precinct, and any other charge, arising within said Precinct.

8. To transact any other business that may legally come before the meeeting.

Given under our hands this twenty-fifth day of February, in the year of our Lord, nineteen hundred and twenty-two.

JOHN H. GRIMES,
GEORGE S. HALL,
DANIEL W. COLE,
Board of Fire Commissioners.

REPORT OF FIRE COMMISSIONERS

The chief engineer reports thirty-seven calls on the fire department during the year, mostly for chimney fire. It would seem to be in order to take better care of our chimneys and rubbish heaps, as fires are expensive.

Loss in Precinct \$1,527.00, two-thirds covered by insurance.

Loss out of Precinct \$10,365.00, 60% covered.

The chief recommends better fire protection for certain parts of the Precinct, either new and larger water mains with more hydrants or motor apparatus.

We urge a large attendance and more interest in the Precinct Meeting of March 20, 1922.

TOWN SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town School District of the Town of Hillsborough, qualified to vote in district affairs:

You are hereby notified to meet at the schoolhouse at the Lower Village, in said district on the sixteenth day of March, 1922 at two o'clock in the afternoon to act on the following subjects:

1. To choose a Moderator, a Clerk, and a Treasurer, for the following year, and a member of the School Board for the ensuing three years.

2. To hear the reports of agents, auditors and committees or officers heretofore chosen, and to pass any vote relating thereto.

3. To determine the salaries of the School Board, Truant Officer, Treasurer and any other officers.

4. To see if the district will vote to raise and appropriate the amount of money necessary to secure State Aid, in addition to High School tuitions. Officers' salaries, and amounts necessary for repairs.

5. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

6. To transact any other business that may legally come before said meeting.

Given under our hands at said Hillsborough, this thirteenth day of February, nineteen hundred and twenty-two.

L. F. MARTIN,
LOTTIE D. HARVEY,
HENRY W. ADAMS,

School Board.

REPORT OF TOWN SCHOOL BOARD

To the Inhabitants of Hillsborough:

The School Board of the Town School District respectfully submits its annual report with that of its Treasurer, Superintendent and Auditors.

The District has maintained its customary six schools, also reopened Bear Hill School upon receiving a petition relating thereto. The enrollment at the Lower and Upper Villages and the Merrill district exceeds that of many years.

These schools, with faithful, conscientious teachers, have done the year's work with much credit to themselves.

The School Physician, Dr. Kelso, reported that his advice regarding pupils has been followed in nearly every case. The matter of vaccination demands the attention of parents, who have children without this precaution.

During each vacation the schoolhouses were cleaned and floors painted. In the summer many repairs were made, but still the out-houses are far below the State requirements, but before another year, we hope to have some of these as they should be.

The graduating exercises were held at the close of the year in June in the Club house at the Centre, as the majority of the graduates were from that District. There were ten graduates and several are attending High School in the Special District.

In addition to the \$5 on a \$1,000 required by law necessary for State Aid the following amounts will be needed for the year 1922-1923.

High School Tuition,	\$600.00
Officers' Salaries,	\$275.00
Repairs,	\$200.00

L. F. MARTIN,
LOTTIE B. HARVEY,
HENRY W. ADAMS,
School Board.

ROLL OF HONOR Sherman Farrar

REPORT OF THE SUPERINTENDENT

To the Hillsborough Town School Board:

Herewith is respectfully submitted the annual report of the Superintendent of Schools for the year ending December 31, 1921.

At the close of the schools in June 1920, Miss Barnes resigned as teacher at the Center, and Mrs. Gladys Murdo succeeded her. Mrs. Brown was transferred from the Lower Village to the Merrill School, and Miss Ruth Gibson became teacher at the Lower Village.

During the year Miss Gibson resigned to be married, and Miss Susan H. Pierce took her place. Miss Elizabeth Thompson resigned because of her mother's illness, and Mrs. Doris Seaver was engaged as teacher at the Flat School. Mrs. Mellen also resigned during the year, and was succeeded by Miss Ruby Tuttle, who had been a teacher in Washington during the previous year. So that the only school which did not have a change of teachers from the previous year was the Upper Village School.

Such a change in the corps of teachers is detrimental to the progress of the pupils, and when the schools reopened in September 1921 we were pleased to see that there were no changes, except that the Bear Hill School was reopened with Mrs. Lillian McNally as teacher.

An interesting table has been compiled, showing the amount of money expended by each school district in the State. The district heading the list spent \$21.39 per \$1,000.00 of equalized valuation, while this district spent \$9.58, in spite of the fact that extensive repairs on school buildings which were badly needed, were made, but will not be needed every year. Ninety

school districts spent more proportionally than this district.

During the summer vacation the blackboards were repaired and repainted in all schools. At the Goodell School the floor was painted, at the Upper Village new zinc was placed under the stove, the floor was painted, the ceiling plastered, window glass was put in, and an entirely new set of window shades was furnished. At the Lower Village the floor was jacked up and oiled, and the shed roof was shingled. A new zinc under the stove, the roof shingled, the walls and floor painted, and glass set were the repairs at the Flat School. One side of the roof of the Merrill School was shingled, new stove pipe put in place, and the walls plastered, new shelves and a partition were made, a new door put in place, and the walls and the floor were painted. At the Center School, the roof was shingled and the partition taken out, new zinc was laid, the floor painted, a new set of window shades hung, and the wood shed was repaired. While at the newly opened Bear Hill School a number of minor repairs were made.

Pupils are taught many things which they do not learn from books, and punctuality is a virtue which should be emphasized. Three of our schools have had an average of less than one case of tardiness per pupil for the year, and that for those schools is a very good record; but any school that has twice as many tardy marks as it has pupils needs to improve in that particular. The Goodell School deserves praise because during the whole year, not one pupil was recorded as tardy. The Center School has the only pupil on the Roll of Honor, Sherman Farrar, who was neither absent or tardy during the whole year. This school should also be congratulated upon the fine results obtained by the graduates in the Superintendent's examinations at the close of the year. The interest of the people in the Upper Village, in their school, is surely helpful to the children, and encouraging to the teacher. There were more visitors to that school during the year than at any

other two schools, and there were three schools that altogether had fewer visitors than this school. The interest of the boys of the Merrill School in the condition of their building is praiseworthy. They have fitted window screens and a screen door, made ventilators, repaired the outhouse, and have done other things about the building to improve its appearance. The Flat school had the best per centage of attendance, 96% which is good indeed. This school gave an entertainment in order to raise money with which to purchase an organ. They have the organ, and there was enough money left over for them to purchase enough music books for the whole school. The Lower Village School had the largest enrollment, and during the fall term the little school at Bear Hill had the wonderful record, of every pupil being present every day and not a case of tardiness for the whole term, the first case of 100% attendance for one term which has come to my attention.

A list of the eighth grade graduates will be found at the end of this report, and it may be worthy of mention that the graduation exercises were held in the Club House at the Center instead of at the Lower Village Church. It seemed best to have these exercises in different parts of the town.

The Science Club presented each school with a little science book which has given both pleasure and instruction to the children. Such a proof of interest in the schools and the children is appreciated.

This fall a plan called the School Town Plan has been worked out in different schools, with fine results. To describe it would occupy more space than we have here, but parents would surely be interested in having it explained, and its development shown by the teacher. The Lower Village school entered into this work with special enthusiasm.

We wish to express our appreciation of the work of our faithful teachers, and of the time spent by members of the

Board, in work for which there is very little reward except the good that can be done. Such work is often misunderstood, and seldom receives thanks, while the amount of time and work which the school board spends upon school duties is seldom realized except by those who have held the position.

Signed,

AMASA A. HOLDEN,
Superintendent of Schools.

September 12, 1921.

We have examined the books, vouchers and checks to June 30th, 1921 as presented to us by the School Board of the town school district and we find them correct, with the exception of a voucher for check No. 87 (no voucher).

DANA R. BRUCE,
FRED J. GIBSON.

SPECIAL SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Special School District in the Town of Hillsborough, qualified to vote in district affairs:

You are hereby notified to meet in the schoolhouse in said district on Friday, the tenth day of March, 1922, at seven of the clock in the afternoon, to act on the following subjects:

1. To choose a moderator, clerk, and treasurer for the ensuing year, a member of the Board of Education for the ensuing three years, and any other necessary district officers.

2. To hear the reports and recommendations of the Board of Education and committees heretofore chosen and pass any vote relating thereto.

3. To raise such sums of money as may be necessary in addition to the amount required by law for the support of schools, repairs on buildings, and any other necessary charges arising within said district.

4. To choose auditors, agents or committees in relation to any subject embraced in this warrant.

5. To transact any other business that may legally come before said meeting.

Given under our hands this eighteenth day of February in the year of our Lord nineteen hundred and twenty-two.

GEORGE W. HASLET,
CHARLES S. PERRY,
DELMONT E. GORDON,
Board of Education.

A. L. MANSFIELD,

Treasurer.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the Hillsborough Special District School Board:

Herewith is respectfully submitted the report of the Superintendent of Schools for the year ending December 31, 1921, with comments on the work of the fall term of the school year 1920-1921.

When the school year began on Sept. 13, 1920, only five of the teachers of the previous year returned to the school. Mr. Anderson, Miss Totman and Miss Cambridge of the High School faculty, and Miss Arnaud, the teacher of the fourth and fifth grade room, left before school opened in the fall. Mr. Nelson S. Mitchell, highly recommended as a high school principal by several former employers, was elected Headmaster and remained with us until March 4th, at which time he was succeeded by Mr. Ralph Sawyer, a Captain during the World War, and a teacher of some experience. Miss Evelyn Hill, a graduate of the Bay Path Institute, succeeded Miss Totman, and Miss Emily S. Woodbury, a Normal graduate, succeeded Miss Cambridge, while Miss Susan A. Maxwell, a Normal student and a teacher of experience in another district in this Union, succeeded Miss Arnaud. Again in the fall of 1921, it was necessary to find teachers for these same positions, and Mr. Stuart M. Stoke, a graduate of Taylor University, became the High School Headmaster. Miss Hilda Chilson the Domestic Science teacher, is a Normal graduate, and a teacher with some experience, Miss Myrtie Brooks, with experience both as a teacher of Commercial subjects, and as a Bookkeeper and Stenographer, became our Commercial teacher, while Mrs. Emily Flanders, a Normal graduate and an experienced teacher, is in charge of the fourth and fifth

grade room. Miss Lena Conant was re-engaged as Supervisor of Music, Miss Sarah Baker resigned as Supervisor of Drawing, and Miss Edith Messer of Antrim was elected to that position. Of course it is regretted that it was necessary to make so many changes in the corps of teachers, but it is believed that fewer will be needed in the near future.

Out of 71 pupils in the High School, 38 were resident pupils and 33 were non-residents, 13 from Hillsborough Town, 10 from Deering, 9 from Bennington and 1 from Antrim. Of the 71 enrolled, 8 took the Domestic Science Course, 7 the Academic Course, 3 the Scientific Course and 53 the Commercial Course, so that 47% of the pupils were non-residents, and 75% were Commercial pupils. During the fall term of 1921-1922, out of an enrollment of 81, 40 were tuition pupils.

No course should be selected without good reason, and that one course may be thought to be easier than the others is no good reason, by itself, for choosing that course. Each course offered is the best course for some one, but that less than one out of ten should select the Academic Course does not seem wise. The different courses offered in the High School, will be fully explained, to members of the eighth grade before they are graduated, and parents of the eighth grade children are urged to consult the Headmaster about this matter before the close of school in June.

Because there were so few in the sixth grade last fall we were able to put all the seventh grade into that room, leaving the eighth grade by itself, whereas up to this time it had been in the room and under the instruction of the teacher who had part of the seventh grade as well as all of the eighth. This has been desired for some time, but could not be done because no room could accommodate both the sixth and seventh grades. The work of the eighth grade is of peculiar importance, in that all the work of the lower grades must be rounded

off, extra time spent on the weak points, and many reviews given. This eighth grade will be much better prepared because it has had the undivided attention of the teacher. Also because of this arrangement, it has been possible to promote several of the seventh grade pupils to the eighth grade, in the middle of the year, thus making it possible to save a year for the pupil without the disadvantage of a double promotion.

The three upper grades have been combined for music, with excellent effect. Through the generosity of friends of the children, and the efforts of the pupils themselves, a fund of \$106.00 was collected for playground equipment, and the apparatus purchased will be used in the spring.

The outstanding feature of the High School work is that it has been conducted along practical lines. The Domestic Science girls have taken trips to different homes and places of business to examine equipment and goods sold, while the history and economics pupils have been led to read magazines and newspapers carefully and critically. Each grade has been conducted with a definite plan in view, adapted to the age and needs of the children.

A glance at the Statistical Table will show that the attendance has been exceptionally good, 94.8%, for the whole school, with 97.3% the highest, for Miss Ash's room. The same room having the fewest cases of tardiness. It must, of course, be remembered that the lower the grade the greater is the excuse for poor attendance. The Honor Roll has seventeen names of pupils who were neither absent or late during the whole year, and is surely a Roll of Honor. The attendance for the fall term of 1921-1922 has been even better than it was last year. Two grades, the second, Mrs. Scruton teacher, and the sixth, Miss Ash teacher, have had no cases of tardiness. The average attendance for the whole school was 96.4%, the seventh grade ranking highest with 98.6%.

A list has been compiled, containing a statement of the

amount paid per \$1,000.00 of equalized valuation for education in each district in New Hampshire. The district heading the list spent \$21.39, while we spent \$9.10. Three districts in this Union spent more in proportion to their equalized valuation. Hillsborough Special District stood 104th in the list of 256 districts, and other things being equal, preference is given in the allotment of State Aid, to those standing highest in this list.

Signed,

AMASA A. HOLDEN,

Superintendent of Schools.
